The Company will also provide Shareholders and CDI Holders with the opportunity to ask questions during the Meeting in respect to the formal items of business as well as general questions in respect to the Company and its business.

Who is entitled to vote at the Annual General Meeting?

Only those Shareholders of record or beneficial owners of Shares held in Street Name (as defined below), at 7:00pm AEDT on Wednesday 4 November 2026 (**Record Date**) will be entitled to vote at the meeting and any adjournment or postponement thereof.

As at the Record Date, unless advised otherwise, there are 258,681,540 Shares of Class A Common Stock outstanding (equivalent to 258,681,540 CDIs), all of which are entitled to vote with respect to the Resolutions set out in this Notice of Meeting, subject to applicable voting exclusions. Therefore, there is currently, as at the date of this Notice, a total of 258,681,540 votes entitled to be cast at the Meeting.

Each Share of Class A Common Stock is entitled to one vote per Share. Each CDI represents 1 Share of Class A Common Stock.

Votes for, against and abstentions will be counted as present and entitled to vote for the purposes of determining whether a quorum is present.

Will any Shareholders be excluded from voting on any of the items?

In accordance with ASX Listing Rule 14.11.1, the Company will disregard certain votes cast on certain resolutions by certain persons.

Voting exclusions apply for Resolutions 8 to 13, as set out above in the Notice of Meeting.

How many Shares must be present for voting to hold the Meeting?

Pursuant to Article I, Section 4, of the Company's Bylaws, the holders of one-third of the capital stock issued and outstanding and entitled to vote at the Annual General Meeting must be present in person or represented by proxy shall constitute a quorum for the transaction of business.

Shares are counted as present at the Annual General Meeting if:

- the Shareholder of record on the Record Date attends the Meeting in person or virtually; and
- the Shareholder of record on the Record Date, or the applicable beneficial owner, has properly submitted a proxy in a timely fashion as set out in this Notice of Meeting.

What is a proxy?

If you designate another person or entity to vote Shares that you own, such other person or entity is referred to as your proxy. If you designate someone as your proxy in a written document, that document is also called a proxy or proxy card. When you designate a proxy, you may also direct the proxy how to vote your Shares. This is referred to as your “proxy vote”.

What is the difference between a Shareholder of record and a “Street Name” holder?

If you own Shares registered directly in your name with the Company’s US share registrar, you are considered the Shareholder of record with respect to those Shares. As a Shareholder of record, you have the right to grant your voting proxy directly to the Company or to vote in person at the Annual General Meeting.

If your Shares are held in a stock brokerage account or by a bank, trust or other nominee, then the broker, trust or other nominee is considered to be the Shareholder of record with respect to those Shares, while you are considered the beneficial owner of those Shares and your Shares are held in street name (**Street Name**). Street Name holders generally cannot vote their Shares directly and must instead instruct the broker, bank, trust or other nominee how to vote their Shares. Since a Street Name holder is not the Shareholder of record, the Street Name holder may not vote their Shares in person at the Annual General Meeting unless such holder obtains a legal proxy from their applicable broker, bank, trustee or nominee giving such holder the right to vote the Shares at the meeting.

CDN is the Shareholder of record for all Shares beneficially owned by holders of CDIs. Holders of CDIs are entitled to receive the Notice of Meeting and attend the Annual General Meeting and may direct CDN to vote by using the method described in the CDI Voting Instruction Form.

What does it mean if I receive more than one printed set of proxy materials?

If you receive more than one printed set of proxy materials, it means that you hold Shares registered in more than one account. To ensure that all of your Shares are voted, please submit proxies or voting instructions for all of your Shares.

Can I vote my Shares in person at the meeting?

The Company is holding the 2026 Annual General Meeting as a physical only meeting.

To vote in person, attend the Annual General Meeting on the date and at the place set out above.

Even if you currently plan to attend the physical meeting, we recommend that you submit a proxy so that your vote will be counted if you later decide not to attend the meeting. If you submit your vote by proxy and later decide to vote in person at the Annual Meeting, the vote you submit at the Annual Meeting will override your proxy vote.

If you are a Street Name holder of Shares, you may vote your Shares in person at the meeting only if you obtain and provide to Automic prior to the meeting a signed letter or other form of proxy from your broker, bank, trust or other nominee giving you the right to vote the Shares at the meeting.

How do I vote my Shares of Class A Common Stock?

Shareholders are entitled to vote if they are a Shareholder on the Record Date regardless of whether they attend the Annual General Meeting.

At the Annual General Meeting, every holder of Class A Common Stock present themselves or by

proxy, is entitled to one vote for each Share of Class A Common Stock held on the Record Date on all matters submitted to a vote to the Shareholders.

If you are a Shareholder of record, you can vote in any of the following ways:

How do I vote if I hold CDIs?

If you are a CDI Holder, you must take one of the following actions in order to vote at the Annual General Meeting:

1. Instructing CHESS Depositary Nominees Pty Ltd (**CDN**), as the Shareholder of record, to vote the Shares underlying your CDIs pursuant to your instructions in the CDI Voting Instruction Form provided to Automic Registry.
2. Converting your CDIs into Shares of Class A Common Stock and voting such Shares at the meeting in person (not permitted for this meeting), virtually or by proxy.
Note: In order to vote as a Shareholder in person at the meeting, such conversion to Class A Common Stock must be completed prior to the Record Date. CDI Holders should contact the Share Registry for information regarding the conversion process. If CDI Holders convert their holding to Class A Common Stock prior to the Record Date, then they may follow the instructions above for voting as a Shareholder.

Each CDI represents 1 Share of Class A Common Stock. Therefore, each CDI Holder will be entitled to one vote for every 1 CDI that they hold through CDN.

If you are a CDI Holder, and wish to vote at the Annual General Meeting, please use one of the following methods to lodge your CDI Voting Instruction Form.

How do I vote if I am a Street Name holder?

If you hold your Shares in Street Name, you must vote your Shares in the manner set forth by your broker, bank, trust or other nominee, which is similar to the voting procedures for Shareholders of record. You will receive a voting instruction form if nominated as a proxy (not a proxy card) to use in directing your applicable broker, bank, trust or other nominee how to vote your Shares at the meeting.

Resolution 7 – ASX Listing Rule 7.1A Approval of Future Issue of Securities

Background

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to add an additional 10% capacity.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation less than the amount prescribed by ASX (currently \$300 million).

As of close of trading on 30 September 2026, the Company has a market capitalisation of approximately \$129.341 million and therefore is an eligible entity. If at the time of the Meeting the Company is no longer an eligible entity this Resolution will be withdrawn.

This Resolution seeks Shareholder approval by way of a special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without Shareholder approval.

If this Resolution is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

The capital structure of the Company as at 30 September 2026 is as follows:

Security Class (Listed)	Number on issue
Listed CHESS Depositary Interests (CDIs), which also has the equivalent number of unlisted Class A Common Stock	258,681,540
Security Class (Unlisted)	Number on issue
Option Expiring Various Dates Ex Various Prices	45,136,707

Information Required by ASX Listing Rule 7.3A

The following information is provided to Shareholder for the purposes of Listing Rule 7.3A.

Period for which the approval will be valid

An approval under this Listing Rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:

- (a) the date which is 12 months after the date of the annual general meeting at which the approval is obtained;
- (b) the time and date of the entity's next annual general meeting; and

- (c) the time and date on which Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

Minimum price at which the equity securities may be issued under Listing Rule 7.1A

Any equity securities issued under Listing Rule 7.1A.2 must be an existing quoted class of the Company's equity securities and issued for cash consideration.

The issue price per equity security must not be less than 75% of the volume weighted average market price of the equity securities in that class, calculated over 15 trading days on which trades in that class were recorded immediately before:

- (a) the date on which the price at the equity securities are to be issued is agreed by the Company and the recipient of the equity securities; and
- (b) if the equity securities are not issued within 10 trading days of the date in paragraph (a), the date on which the equity securities are issued.

Purposes for which the funds raised by an issue of equity securities under Listing Rule 7.1A may be used

As noted above, any equity securities issued under Listing Rule 7.1A.2 must be issued for cash consideration. Accordingly, every issue of equity securities under Listing Rule 7.1A.2 will have an accompanying proposed use of funds at the time of issue.

As at the date of this Notice, the Company has not formed an intention to offer any equity securities under Listing Rule 7.1A during the Listing Rule 7.1A mandate period, if Shareholders approve this Resolution. However, if Shareholders approved this Resolution and the Company did raise funds from the issue of equity securities under Listing Rule 7.1A, based on the Company's existing plans, the Company considers that the funds may be used for the following purposes:

- (a) to further develop the Company's business or businesses acquired subsequently where permitted without requiring shareholder approval for the acquisition under Chapter 11 of the ASX Listing Rules;
- (b) to fund and develop any of its existing products and newly discovered products or products acquired subsequently where permitted without requiring shareholder approval for the acquisition under Chapter 11 of the ASX Listing Rules;
- (c) to acquire assets including acquisition (full or part) of asset purchases or equity holdings, either in current part owned holdings or new acquisitions which are permitted under the ASX Listing Rules without requiring shareholder approval under Chapter 11 of the ASX Listing Rules; and
- (d) for general corporate purposes, including working capital requirements and costs of raisings.

Risk of economic and voting dilution to existing ordinary Securityholders

If this Resolution is approved, and the Company issues equity securities under Listing Rule 7.1A, the existing Shareholders' economic and voting power in the Company will be diluted.

There is a risk that:

- (a) the market price for the Company's equity securities in that class may be significantly lower on the issue date than on the date of the approval under Listing Rule 7.1A; and
- (b) the equity securities may be issued at a price that is at a discount (as described above) to the market price for the Company's equity securities on the issue date;

which may have an effect on the amount of funds raised by the issue of equity securities under Listing Rule 7.1A.

The table below shows the potential dilution of existing Securityholders on the basis of 3 different assumed issue prices and values for the variable "A" in the formula in rule 7.1A.2:

[Variable "A" ASX Listing Rule 7.1A.2]		Potential Dilution and Funds Raised		
		\$0.25 50% decrease in issue price	\$0.50 issue prices ^(b)	\$1.00 100% increase in issue price

	Funds raised	\$6,467,039	\$12,934,077	\$25,868,154

Notes:

- (a) Based on the total number of fully paid ordinary CDIs on issue as at 30 September 2026.
- (b) Based on the closing price of the Company's CDIs on ASX as at 30 September 2026.
- (c) The table assumes that the Company issues the maximum number of CDIs available to be issued under Listing Rule 7.1A.
- (d) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of issues of equity securities under Listing Rule 7.1A based on that Shareholder's holding at the date of this Explanatory Statement.
- (e) The table shows the effect of an issue of equity securities under Listing Rule 7.1A only, not under the Company's 15% placement capacity under Listing Rule 7.1.

Allocation policy for issues under Listing Rule 7.1A

The Company's allocation policy and the identity of the allottees of equity securities under Listing Rule 7.1A will depend on a number of factors, including:

- (a) the Company's intentions in relation to the possible issue of equity securities (for cash consideration) during the Listing Rule 7.1A mandate period;
- (b) the structure and timeframe of the capital raising opportunities available to the Company and any alternative methods for raising funds that are available to the Company (such as a pro rata offer or an offer under a share purchase plan);
- (c) the potential effect on the control of the Company;
- (d) the Company's financial position and the likely future capital requirements; and
- (e) advice from the Company's corporate or financial advisors.

Based on the Company's historical cashflow reports and capital raising activities in the past 12 months, the Company considers that it may raise funds during the Listing Rule 7.1A mandate period, although this cannot be guaranteed.

The Company announced on 21 September 2026 a capital raising program, including successfully raising \$12.0m through a placement. Of this placement, \$6.875m was issued to non-related sophisticated and professional investors under Listing Rule 7.1A (**Capital Raising Announcement**). This placement is disclosed in the information in the section below ("Issue or agreement to issue equity securities under Listing Rule 7.1A in the 12 months prior to AGM").

As of the date of this Notice, the Company has no specific intention to issue equity securities, other than the remaining securities under the Capital Raising Announcement (of which none will be issued under Listing Rule 7.1A), in relation to any parties, investors or existing Securityholders have

been formed. In addition, no intentions have been formed in relation to the possible number of issues, or the time frame in which the issues could be made. Accordingly, no votes will be disregarded under LR 7.3A.7. Subject to the requirements of the Listing Rules and the Corporations Act, the Board of Directors reserve the right to determine at the time of any issue of equity securities under Listing Rule 7.1A, the allocation policy that the Company will adopt for that issue.

If and when the determination is made to proceed with an issue of equity securities during the Listing Rule 7.1A mandate period, details regarding the allottees and purposes of issue will be disclosed pursuant to the Company's obligations under Listing Rules 3.10.3 and 7.1A.4.

Offers made under Listing Rule 7.1A may be made to parties (excluding any related parties) including professional and sophisticated investors, existing Shareholders or CDI Holders of the Company, clients of Australian Financial Service Licence holders and/or their nominees, or any other person to whom the Company is able to make an offer of equity securities.

ASX Listing Rule 10.14

ASX Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire securities under an employee incentive scheme unless it obtains the approval of its shareholders:

- (a) a director of the company;
- (b) an associate of a director of the company; or
- (c) a person whose relationship with the company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders.

As each of the allottees under Resolutions 8 to 13 are Directors, the proposed issue of Incentive Securities under Resolutions 8 to 13 constitutes the acquisition of securities under an employee incentive scheme for the purposes of Listing Rule 10.14 and therefore requires the approval of the Company's Shareholders under Listing Rule 10.14.

To this end, Resolutions 8 to 13 seek the required Shareholder approval to issue the Incentive Securities to the Directors under Resolutions 8 to 13 under and for the purposes of Listing Rule 10.14.

If approval is obtained under Listing Rule 10.14, in accordance with Listing Rule 10.12 (exception 8), separate approval is not required under Listing Rule 10.11 or Listing Rule 7.1.

If one or more of Resolutions 8 to 13 are passed, the Company will be able to proceed with one or more of the proposed issue of Incentive Securities to the Directors as outlined in this Notice of Meeting.

If one or more of Resolutions 8 to 13 are not passed, the Company may need to discuss and negotiate the remuneration packages of the relevant Directors in order to reflect the intent of their Director Services Agreements.

Directors' Recommendation

Given the nature of these Resolutions, the Board does not consider that it is appropriate to make a recommendation on how Shareholders should vote on these Resolutions.

As noted in the Proxy Form, the Chair of the Meeting intends to cast all undirected proxies in favour of these Resolutions.

Resolution 14 – Amendment to Bylaws in relation to Director Elections

Background

The third sentence of Section 1 of Article II of the Company's Bylaws reads as follows

"Except as provided in Section 2 of this Article II, directors shall be elected by a plurality of the votes cast at Annual Meetings of Stockholders, and each director so elected shall hold office until the next Annual Meeting and until his successor is duly elected and qualified, or until his earlier resignation or removal."

The Board has determined it to be in the best interests of the Company to amend the above sentence in the Company's Bylaws to create a staggered Board with one class of directors being subject to election every third year.

Directors' Recommendation

The Board of Directors recommend that Shareholders vote for this Resolution.

The Chair intends to vote all undirected proxies in favour of this Resolution.

Resolution 15 – Amendment to Bylaws to Increase the Equity Incentive Plan Issue Cap under Section 1100V of the Corporations Act to 10%

Background

The Equity Incentive Plan provides for the grant of incentive stock options to employees of the Company, and for the grant of non-statutory stock options, stock appreciation rights, restricted stock and restricted stock units to the employees and consultants of the Company and members of the Board. A summary of the key terms of the Equity Incentive Plan is set out in Annexure A, and a copy of the Equity Incentive Plan is available at: <https://www.nyrada.com/site/About-Us/corporate-governance>.

The Equity Incentive Plan was adopted by the Board on 21 August 2025 in replacement of the Company's previous incentive plan.

The Treasury Laws Amendment (Cost of Living Support and Other Measures) Act 2022 introduced Division 1A of Part 7.12 of the Corporations Act, which took effect from 1 October 2022. Division 1A provides regulatory relief from certain disclosure, licensing, advertising, anti-hawking and on-sale requirements that may otherwise apply to offers made under an employee share scheme.

One of the key changes introduced by Division 1A is that the default issue cap applicable to listed companies may be increased if a higher percentage is specified in the company's constitution or equivalent constituent documents. Under section 1100V of the Corporations Act, the maximum number of employee share scheme interests that may be issued over a rolling three-year period is 5% of a listed company's issued capital unless a higher percentage is specified in the company's constitution or equivalent constituent documents. The ability to specify a higher issue cap provides listed companies with greater flexibility (relative to the previous class order regime) to incentivise and reward employees, directors and other eligible participants through equity-based incentive arrangements.

If approved, the proposed amendments to the Company's Bylaws would mean that, for the purposes of section 1100V of the Corporations Act, the issue cap applicable to the Company will be increased from 5% to 10% of the Company's issued capital. The Board considers that the increased cap will provide the Company with additional flexibility to make future grants under the Equity Incentive Plan and any other employee incentive arrangements that may be adopted by the Company from time to time. The Directors believe that this amendment is not material and will not have any significant adverse impact on Shareholders and CDI Holders.

Directors' Recommendation

The Board of Directors recommend that Shareholders vote for this Resolution.

The Chair intends to vote all undirected proxies in favour of this Resolution.

Enquiries

Shareholders and CDI Holders are asked to contact the Company Secretary, Mr David Franks, on +612 8072 1400 if they have any queries in respect of the matters set out in these documents.

The Incentive Plan will be administered by a committee of at least two people as the Board may appoint to administer the Equity Incentive Plan or, if no such committee has been appointed by the Board, the Board (**Committee**). Subject to the Equity Incentive Plan, applicable laws and the ASX Listing Rules, the Committee shall have the power to, amongst other things:

The Board may amend, alter, suspend, discontinue or terminate any part or all of the Equity Incentive Plan, provided that any such amendment, alteration, suspension, discontinuance or termination that would materially and adversely affect the rights of any Participant requires the consent of the affected Participant.
